Special Instructions: This form must be completed, signed by a Director/Principal level supervisor or higher, and submitted to the Payroll Department. Forms will be processed by the Payroll Department on the earliest scheduled payroll possible. If the Appreciation Payment Certificate is being paid to someone who is *not* an MSBSD employee, please have him/her attach the following forms: W4, SBS, and Direct Deposit Notification. Please also provide his/her mailing address, date of birth, and Social Security Number.

You are required to answer this question.

Is this individual a classified employee?

Step 1: The full cost of the appreciation payment, including benefits, will be charged against your overall discretionary budget. Please fill in the account code information. Verify all accounts through Account Inquiry. If they are not currently in MUNIS, use Team Dynamics to request them [here](#).

If this is a grant funded request, please fill it out and forward it to Federal Programs, and if allowable under the grant, they will forward it to Payroll. Otherwise, it will be returned to you for a different funding source.

You are not required to transfer budget into those codes, although you may wish to do so after they have been created. The amount charged to these codes will reduce your overall discretionary net available funds (Discretionary Budget Roll-Up Bucket). The minimum amount of a certificate is \$100. The maximum amount of a certificate is \$500. Certificates may be any amount between \$100 and \$500.

Step 2: You must fill in all blue blocks. Employee Name and ID number are required fields.
