Special Instructions: Gather a variety of information from diverse sources. The Behavioral Threat Management (BTM) team should then review and assess the available information using the following key themes and questions. Use the information related to these themes and questions to determine the seriousness of the threat or behaviors and the elements of an appropriate action and support plan best suited to this student and situation. Attach this completed form to the Behavioral Threat Management (BTM) Documentation Form. For consultation at any time please contact your Site Supervisor or an Associate Superintendent of Instruction. **This form must be completed electronically entered into Synergy.**
